QUARTER 3, 2022 NEWSLETTER

DECEMBER 5-9, 2022

ATD's Employee Learning Week (ELW) is an opportunity for companies to demonstrate their commitment to talent development. Developing talent is more important now than ever. The growing skills gap and increased need to compete in today's economy require organizations to develop knowledgeable and highly skilled talent. During the week, remind employees about all of the learning and talent development opportunities they can access. Stay tuned for information about events the ATD Nebraska chapter will be hosting throughout the week!
